

6-23-07 at the home of Jack Lowe in Rockville, MD

Peter Ansoff, Nick Artimovich, Chris Bedwell, Daniel Broh-Kahn, Tom Carrier, Dick Clark, Dale Grimes, Richard Kelchner (and wife), Jack Lanterman, George Lowe, Jack Lowe, Roy Mock, Jon Radel and Peter Turek.

We spent a warm summer afternoon outside enjoying flags, fellowship and food. In addition to our discussions, Tom Carrier gave away many surplus items from his collection.

Business topics included a preliminary discussion of a joint CBFA-GWAV meeting in the spring of 2008, and the hosting of the 2011 ICV in the Washington-Baltimore area. In Berlin in August, NAVA will be making a formal bid to host that meeting.

The next meeting is planned for November in the Baltimore area.
